Do you attend any events (for example: concerts, camps, weekend training's, etc.)
throughout the year with your local church or youth group and if so what?

What is the name of the Church that you are a member of and who is your Pastor?

What do you and your friends like to do on the weekends?

What kinds of problems do you see teenagers in your school facing at this time and do you see anyway to help them overcome these problems? In other words, is there anyone that can help; other students, adults, teachers, the school system or parental involvement?

As an active Christian and setting the standard for others, what problems have you faced from other students and in what way can we help pave the way and make it a little less rockier for those coming behind you?

What are your feelings on sex before marriage and for those teens that have already crossed the line?

What are your feelings on Alcohol and Drugs for teens and adults?

Do you think attending a party where alcoholic beverages are served and being the designated driver hurts your witness as a Christian?

Is there anything that you would like to tell us or talk about? Such as telling us about the real you, daily life, something wonderful that happened or something you just need to blow your lid off about! (you don't have to answer this question. This is just for fun if you're up to it, so don't worry if you leave it blank.)

Thank you so much for applying and we praise God for you. You may not know it now, but you never know how many lives' you will have touched and saved through your kindness to others. God Bless You, in Christian Love, robin & Randy Canady. John 3:16
